From the Director of Community Relations

In 2022, instead of our traditional Annual Giving, Concordia College is hosting a 'Giving Day'. It is our chance to raise needed funds for Concordia College building initiatives and scholarships. All donations will continue our vision of providing students with exceptional learning and confidence while equipping them for an extraordinary future.

The College has borrowed substantially to fund our Primary School's redevelopment and the new Gymnasium. Our new facilities and our scholarship offerings will have a positive and significant impact on students, staff and our community. As a not-for-profit school, we are eager to secure as many tax-deductible donations on this day as possible.

What is most exciting is that every dollar donated will be doubled thanks to generous benefactors to Concordia College.

For example:

Our aim is to raise \$150,000. It seems like a lot, but with our matching donors, your tax-deductible donation goes twice as far to meet our goal!

We are asking you to get involved and donate next Wednesday 15 June. Plus, make sure you choose your preferred year level or Old Concordian group. The group who raises the most funds on the day will receive a dedication on the new gymnasium donor wall!

Your support of our Giving Day is sincerely appreciated.

Jodie Escott

Director of Community Relations

Q&A with Ed Ding, Chinese Teacher

1. Where were you before this and what persuaded you to join Concordia College?

I was at Cornerstone College. I have been seeking a permanent position for either teaching Chinese or Maths, or both. Concordia offered a part-time permanent position for teaching Chinese, and then I came through a recruiting procedure.

2. Three words to describe you.

Passionate, kind, quiet.

3. What is your motivation or inspiration in your role?

I am motivated to help students be more open-minded in life and self-motivated in learning.

4. If you had a superpower, what would it be?

To live forever.

5. Who would you invite to a dinner party of six guests and why? Alternatively, tell us something you might like to share that we could not possibly know?

Six close friends because I may want to create the most relaxed atmosphere around the dining table.

[Back to top](#)

Q&A with Julia Lombardo, Science, Maths and Year 8 Home Class Teacher

1. Where were you before this and what persuaded you to join Concordia College?

I was at Mercedes College last year. The community talk of the welcoming school culture and new facilities persuaded me to join Concordia.

2. Three words to describe you.

Sociable, sporty, cheerful.

3. What is your motivation or inspiration in your role?

My inspiration comes from my university lecturers in Medical Science.

4. If you had a superpower, what would it be?

To slow down time.

5. Who would you invite to a dinner party of six guests and why? Alternatively, tell us something you might like to share that we could not possibly know?

I am engaged and getting married next year. I have an interest to travel and explore the world and experience different cultures.

Year 9 Camp

Year 9 students and families gathered in the Chapel at 6:00am on Monday 30 May. With bags packed, a sense of excitement was in the air as each family prepared for The Adventure camp and several days without each other. Before camp began, all Year 9 families participated in The Departure ceremony, a special time to put our upcoming week of challenges into context and to share some significant reflections as a family on growing up and gratitude. We boarded the buses, and the rest, as they say, is history.

Concordia – The Rite Journey has just completed its most significant event of the year - The Adventure Camp to the Flinders Ranges. It was an experience that the Year 9 students found challenging yet rewarding and a time where Concordia staff witnessed the students' personal growth and development of friendships. It was a fantastic opportunity for the students to experience challenges in a supportive environment, try new things, experience some incredible views, build on their friendships, and possibly develop new ones throughout the week. The boys' and girls' camps both focused on the overarching theme of challenges and how working through them helps form our identity and resilience, and when experienced together, they build a sense of community. Each student explored what makes them the person they are and how they contribute to the wider group. This was experienced through physical, emotional and social challenges that the students were faced with throughout the camp.

The staff on both camps were amazed with the students' endurance, resilience and willingness to give all aspects of the camp their best shot. We were particularly impressed with the way each tribe (Home Class) bonded with the focus of a common goal and how this led to a great sense of community for the week. I am sure the students will come away from this camp with a sense of personal achievement and an understanding that trying new things outside of their comfort zone will stretch them and lead to personal growth. This is a life lesson that we can all hold on to and need to be constantly reminded of.

A special thanks goes to the Concordia staff who supported The Adventure Camp so well, along with the staff of Wilderness Escape Outdoor Adventures who supported everything we implemented throughout the week.

Ben Crook

Year 9 Leader

Year 7 Aqualibrium Challenge

The Year 7 Aqualibrium challenge taught us how engineers equally distribute water across the city. We learnt the difficulty of being able to evenly spread the water across a town. Each group was given a set of red and blue pipes with different thicknesses, along with 30 pipe connectors. The task was to distribute the water to three locations on a map of a city, at an even rate. This way each water-point receives an even amount of water. At first, we underestimated the difficulty of this challenge. Every group struggled to find the right pipes and connectors needed. Each group had the opportunity to do a test run, to see where the faults were. Many groups had more water in one location than the others. To solve this problem, groups had to alternate between the pipes that had different thicknesses to allow more or less water to run through. At the end, two groups managed to complete the challenge successfully by distributing the water evenly into multiple locations, although some other groups were close. Overall, everyone understood the relevance of this task and how it connects to our world.

Reconciliation Week in the ELC

Reconciliation is the responsibility of all Australians. Reconciliation requires the Australian community to recognise and respect the First Peoples of this land, to acknowledge the past injustices, and the ongoing inequalities, experienced by Aboriginal and Torres Strait Islander peoples since colonisation, and to commit to working towards a more equal and respectful future.

In the ELC, the children and staff are 'being brave and making change' by making our commitment to reconciliation visible to our local community. A 'Sea of Hearts' was installed out the front of the ELC and Primary School. It included the children's words about how they commit to making change and showing respect to First Nations People. Families participated by sending in their comments about what reconciliation means to them. Our children start each day with an Acknowledgement of Country and are learning to say key words in Kaurna language. Respect and acknowledgement to our First Nations People is embedded into our everyday rituals.

Sarah Neill

ELC Coordinator

Luminary Lunch

On Friday 27 May, a group of 20 Year 5 students attended a Luminary Lunch at St Peter's College. The students sat with a local illustrator – Danny Snell or Vaughan Duck, over a hot delicious lunch. The keynote speaker was Adelaide author Adam Cece. Each student dressed up as a character from one of their illustrator's books.

On arrival, the tables were decorated, the students and authors/illustrators walked the pink carpet, and they had a group photo taken with the guest that they were sitting with.

Students chatted with the illustrator, asked questions and had an opportunity to get their autograph booklets signed as well. One of the Concordia tables even won the best dressed table competition!

It was a wonderful excursion, enjoyed by all.

Some of the student comments included:

'I enjoyed meeting the different authors and illustrators. I loved the food.'

Bethany

'I enjoyed dressing up as a kookaburra and doing the cat walk. It was amazing to see Adam Cece and funny to try a new vegemite technique.'

Mackenzie

'I enjoyed the opportunity to hear about authors' lives and I learnt a lot about writing. It was definitely an experience I will remember!'

Eliza R

'I really liked the quiz and Adam Cece's keynote. I thought that the day was amazing and I would love to do it again.'

Jess

Consulting Solicitor

Ian White

Deputy Coroner SA Courts

To be able to have these people in one room at the one time was an exciting experience and I know the students gained an immeasurable amount of knowledge and insight from their expertise in being able to answer questions relating to the legal issues the students are investigating.

I wish to thank all the guest speakers this year and look forward to many more that will come into the Year 12 Legal Studies classes over the coming year. Legal Studies is a subject that Concordia students study with great interest and passion. It allows for honest discussion about contemporary legal issues that occur on a daily basis.

Mr Rick Sommariva

Legal Studies Teacher

Australia-New Zealand Brain Bee Challenge

Round 1 of the Australia-New Zealand Brain Bee Challenge was a great success with nearly 3,000 students across Australia and New Zealand participating. The Brain Bee Challenge is a competition for high school students in Year 10 to learn about the brain and its functions, learn about neuroscience research, find out about careers in neuroscience and to dispel misconceptions about neurological and mental illnesses. Four of our students have qualified to participate in the Individual and Team Challenge of the South Australian State Final (top South Australian students from Round 1):

- Luke (10JPID)
- Lily (10RSOM)
- Sienna (10MSMA)
- Levon (10JPID)

The State Final will be in two parts: a formal individual competition, which will be online in August, and a face-to-face experience morning at Flinders University. A hearty congratulations to all the students who participated. Good luck to our State Finalists – may you be able to distinguish between such terms as the cerebrum and the cerebellum, the diencephalon and the globus pallidus!

Inter-school Chess

Concordia College's inter-school chess teams have enjoyed a successful start to the

competition season. We have entered two teams in the Secondary Division 3 competition, and at the end of Round 6, our teams are currently placed first and ninth out of 23 teams. The teams comprise students in Years 7–12. All players are to be commended on the flexibility, good sportsmanship and support that they have shown to each other this season. We look forward to the remaining four weeks of competition!

Student Leader Board Meeting Presentations

The Year 6 Student Leaders had the honour of presenting to the Concordia College Board on

Wednesday 25 May. Students practised their conversational skills over dinner with Board Members and staff. Following this, they presented their goals, hopes and dreams for their Student Leader 2022 role, alongside the Year 12 Student Leaders. Our Year 6 Student Leaders presented with confidence, poise, and professionalism. Congratulations to them!

Year 1 Adelaide Botanic Gardens Excursion

The Year 1 students enjoyed a beautiful, albeit cold, autumn day in the Adelaide Botanic Gardens as part of their inquiry into 'How the World Works'. They learnt some amazing things from Trent Hill - an Indigenous storyteller, educator and guide - about the materials used by Indigenous Australians as part of their survival. They learned of all the ways that wood was used, along with a variety of plants used for food, medicines, soap and water. The children were captivated at how fire was created and used in those early days of our rich history.

Primary School Disco

On the evening of Friday 3 June, our annual Primary Campus Disco was held. Students from Reception to Year 6 enjoyed busting some moves on the dance floor and could be heard singing at the top of their lungs, 'We Don't Talk About Bruno' from Encanto and 'YMCA'. Old favourites, 'The Macarena', 'The Nutbush' and 'The Chicken Dance', also got the students on their feet. The theme for the Junior Primary Disco was 'rainbow colours', whilst the Upper Primary Disco came dressed in 'back to the 80s' costumes. Mullet hairstyles, leg warmers, double denim and Risk Astley lookalikes were on show.

Concordia College Walk My Way

At Concordia College we stepped out to bring love to life through our annual Walk My Way challenge.

In what has become a yearly tradition, the Year 5 and Year 11 cohorts, along with various teachers and support staff, collectively walked 300km in the Middle and Senior School gym on Wednesday 25 May. We needed to walk indoors this year due to the inclement weather, but this did not dampen the enthusiasm of all involved.

We did this cross-campus walk to raise money to help the current Ukraine Appeal through Australian Lutheran World Service (ALWS), the overseas aid and development agency of the Lutheran Church of Australia.

In addition to the walk, the ELC and Primary School supported the day through a casual day with a Ukrainian flag colour theme. It was wonderful to see so many students and staff dressed in the traditional colours of the Ukrainian flag and all money raised contributed to our worthy cause of raising important funds for the current crisis in Ukraine.

In what was a wonderful effort as a College, we ended up raising over \$2700, which is a brilliant feat!

Thank you to so many of our College community for donating to this worthy cause. Each donation has been greatly valued as is your support of us undertaking the Walk My Way challenge.

We look forward to continuing this special tradition again next year.

Jane Graham and Judy Harris

Walk My Way Organisers

Statewide and Knockout Netball

On Tuesday 7 June, the Year 5/6 netball team represented Concordia in the School Sport SA Statewide Schools Competition.

Unbeaten in their regular school competition, the girls were riding on a wave of confidence and played Belair, Stirling East and St Francis, winning all three matches comfortably. They now progress to the second round of the competition and we wish them all the very best!

Mick Phillips

ELC-Year 6 PE Teacher and Sports Coordinator

On Tuesday 7 June, our Year 9/10 knockout netball team put in an outstanding effort in Round 1, showing skill, determination, good sportsmanship, maturity and poise throughout their games. Unfortunately, the final result of game two was close but didn't go our way, along with game three. All players are commended for an amazing effort and for representing the College extremely well.

Game 1: Concordia defeated Loreto: 29-22. Best players: Olivia and Issy.

Game 2: Concordia lost to Blackwood: 22-25. Best players: Sophie and Ebony.

Game 3: Concordia lost to Westminster: 22-40. Best players: Holly and Amalia.

Chrissy Barnard

The School Shop

General trading – no appointment required. Physical distancing rules and masks still apply. We thank you for your patience during this time.

- Mondays: 8am - 4pm
- Wednesdays: 12.30pm - 4pm
- Thursdays: 12.30pm - 6pm

The last day of general opening for Term 2 is Thursday 30 June.

Email orders are also welcome and purchases may be collected from The School Shop during opening hours. Please email: schoolshop@concordia.sa.edu.au and include:

- your child's name and year level
- size
- your contact details

The School Shop staff will contact you for payment and advise when your order is available to collect.

Uniform orders - we advise via email when orders are ready to be collected. Years 7-12 students are emailed directly to their College email address. For students in ELC-Year 6, emails are sent to parents/caregivers.

Sport orders - uniforms for soccer, basketball, Aussie Rules and socks are available to collect. Unfortunately Hockey sport orders have been further delayed.

The School Shop staff can be contacted on the direct phone line during opening hours – **8291 9302**.

Secondhand Clothing

If you have uniforms you no longer need, they may be donated or sold on consignment in The School Shop ([click to download a secondhand uniforms consignment form](#)).

Please note:

- Blazers and winter skirts/pinafores must be dry cleaned with a receipt attached.
- Jumpers must be washed using a wool wash detergent.
- All other items must be in good condition, stains removed, washed and ironed ready for sale.
- Summer hats must be hand washed.
- Any uniform items in need of repair e.g. broken zips, seams unstitched, missing buttons, etc. must be repaired prior to acceptance for sale. Buttons are sold in The School Shop.
- Garments presented on hangers are preferred.
- Old logo and discontinued styles – uniforms with the old school logo and discontinued styles are no longer saleable in The School Shop but can be dropped off for overseas charity donation.
