From the Director of Learning and Innovation

Role Modelling Learning

A key privilege of working in a school is being constantly reminded of the power and impact of learning.

It's exciting to see a Senior School student discover an exciting area of Biology that influences their future study, or an Early Learning Centre student who, through interactions with an Indigenous elder, develops a lifelong determination to work towards reconciliation.

Given the complex and changing nature of our world, I'd argue it has never been more important for young people to develop the skills and dispositions to know how to learn, re-learn and explore different ways to solve problems or generate ideas. I'm sure many adults would agree that over the last 5 – 10 years, the rate at which they have had to learn new things, re-learn an existing way of doing something or develop an alternative approach to a problem or opportunity has increased. This is also true for educators.

The approach and strategies that educators are needing to adopt to support and engage students in learning is shifting. Changes include:

- a stronger emphasis on mental health and wellbeing issues and education

- changes in social media, technology and access to knowledge
- increased awareness and activism for social justice/inequality issues amongst young people.

Students now want teachers to design learning to:

- empower them to explore their interests
- have ownership of their learning
- provide opportunities to use their strengths.

Students also look to teachers for guidance, encouragement and feedback as they explore their learning and seek to overcome challenges.

While the philosophy and purpose of education hasn't changed, how this 'looks' in a school certainly is changing rapidly.

In light of this, in 2020 the College began developing specific roles designed to partner with teachers. The new roles aim to assist teachers to strengthen and adapt their expertise to improve student outcomes. These "Learning Mentors" use mentoring and coaching approaches to support teachers. They are helping teachers to learn new approaches or adapt existing practices to more effectively support students in our current learning environment.

Importantly, this model is now ELC to Year 12. Learning Mentors and teachers are working together as a community across our College. They share ideas, learn together, explore and trial teaching approaches and reflect on their impact. This happens through trusted and confidential conversations as well as in our classrooms and learning environments.

In my role as Director of Learning and Innovation, I believe this is potentially the most exciting and impactful initiative we are undertaking. Why? I think it's because we are visibly role modelling the importance of lifelong learning. We are showing students the type of learning that is important for life! As role modelling is one of the most powerful approaches to setting students up for success, it's fitting that this is an intentional part of our learning community.

Paul Bannister

Director of Learning and Innovation

Q&A with James Divitkos, Design, Technology and Engineering Teacher

1. Where were you before this, and what persuaded you to join Concordia College?

Before joining the College as a staff member, I attended Concordia as a student; I started at St John's in 2005 and attended the College until Year 12 in 2017.

After graduating, I attended the University of South Australia, where I studied a Bachelor of Education (Design and Technology). While studying, I volunteered and worked at the College in the Design, Technology and Engineering Department as a Technician.

2. Three words to describe you.

Hardworking, reliable, dedicated.

3. What is your motivation or inspiration in your role?

My motivation for what I do is seeing students' achievements and pride when they have finished a project, learnt a new skill or achieved something they believed was impossible. Seeing students grow and overcome challenges, and seeing their pride when this happens, is what makes this job so unique.

4. If you had a superpower, what would it be?

The ability to see into the future or time travel.

5. Who would you invite to a dinner party of six guests and why? Alternatively, tell us something you might like to share that we could not possibly know?

I love outdoor activities. My favourite thing to do during the summer holidays is to spend time on the river with my family. I enjoy my watersports and travelling the outback.

[Back to top](#)

Q&A with Cristina Maiese, Maths and Science Teacher

1. Where were you before this, and what persuaded you to join Concordia College?

I have worked at a few schools such as Kildare College, St Michael's College and St Ignatius' College. I was persuaded to come to Concordia as I heard that this is a wonderful working environment with a great reputation and lots of opportunities for teachers.

2. Three words to describe you.

Creative, energetic, adventurous.

3. What is your motivation or inspiration in your role?

Things that motivate me as a teacher are seeing the excitement that the students get when they have 'that light bulb moment' and also the challenging questions from the students that stretch my mind.

4. If you had a superpower, what would it be?

Teleportation.

5. Who would you invite to a dinner party of six guests and why? Alternatively, tell us something you might like to share that we could not possibly know?

I love to dance and I have done everything from competitive cheerleading to 1940s swing. I

currently do tap, jazz and swing dancing. In the future I want to learn ballroom dancing. I also love to crochet and make my own blankets and clothes.

Oliver! That's a Wrap

Concordia College Musical 2022

Oliver! has everything that a great musical can offer and the journey to bring this story to life began for our cast, crew and pit band in November 2021.

With rehearsals ready to begin in January, we were hurled off course by COVID-19 and the future of the show was in jeopardy. Luckily, with lots of determination, we were able to forge ahead, and preparation truly began in Week 6. Rehearsals were rigorous, a lot of fun and so rewarding as new skills were learned and new friendships formed. As a huge ensemble, our awesome cast, crew, and pit band embraced every challenging COVID-19 tinged step of bringing this work from page to stage with inspiring gusto.

So, after over 160 hours of rehearsal, 124 students from Years 7-12 descended upon the Hopgood Theatre in Noarlunga from June 12-14 to perform five extraordinary shows. They absolutely nailed every element of the storytelling for standing ovations at every performance! Their professional approach to the most exceptionally high standards on stage, in the wings, in the technical booths or in the orchestra pit was admired by their audiences.

Musical Theatre is an art form that integrates singing, acting, dancing, musicianship, design, technology and elements of production for the purposes of storytelling... and what an extraordinary learning experience these young people have engaged with! No matter their future, they will remember this for life and the skills they have embedded will serve them in any profession they choose to pursue.

To our audience - great theatre is a gift from the artist to you and it must entertain, educate and inspire. We hope that you feel as though you witnessed a piece of great theatre at the Hopgood through experiencing Concordia's *Oliver!*

Zoe Tidemann

Head of Drama

Giving Day - Thank You!

Thank you for your extraordinary generosity!

Together, we did it - our Giving Day raised over \$181,000! The difference your generosity has made to our building program, scholarships and the future of our students and College is

extraordinary. Heartfelt thanks from all of us.

Congratulations to the Old Concordian donors and the Reception classes of 2022, who raised the most funds on our Giving Day. Each will be recognised on the donor wall in our new Gymnasium in the near future.

From the ELC and Primary School Principal

Acknowledge and Appreciate

Mrs Sue Drogemuller has recently announced that she will be resigning from her leadership role here at the St John's Campus at the end of this year. Sue has faithfully and humbly served our learning community for nearly 25 years and has made a significant contribution to our community during this time. Prior to moving into leadership Sue was part of our St John's teaching team. We will certainly miss her contribution to our leadership team and will formally acknowledge her service and thank her at the end of the year. We are not farewelling Sue at this stage, as we consider avenues where she may continue to contribute to our community.

Other Staffing Updates - St John's Campus

As we approach the end of Term 2 I would like to provide the following additional updates regarding staffing here at our St John's Campus:

- In Term 3 Mrs Leanne Jaensch (Reception/Year 1 Inclusive Learning teacher) will be on Long Service Leave. During her absence, Mrs Kylie Johns will take on this role.
- During Term 3 Mrs Tamara Martin (Student Counsellor) will be taking leave. We are currently finalising someone to take up Tamara's role next term.

We wish both Leanne and Tamara safe and enjoyable leave next term.

- Over the coming weeks we will be advertising for a number of classroom teaching positions in preparation for the first phase of our transition into the new triple-stream structure. If you are aware of any teachers who may be interested in applying for these positions, please refer them to our website over the next few weeks.

Michael Paech

Principal - ELC and Primary School

Non-Uniform Day - Friday 24 June

ELC and Primary School Non-Uniform 'Pyjama/Comfy Clothes' Day

Our students have had a wonderful term, achieving many milestones and coping with the wintry weather. To celebrate, the ELC and Primary School will be having a casual day tomorrow!

- **When:** Friday 24 June
 - **What to wear:** Pyjamas or casual, comfy clothes
 - **What to bring:** An extra pair of shoes for outside play if you are wearing your slippers or ugg boots to school
-

Middle and Senior School Non-Uniform Day

With our Student Leaders sleeping rough this Friday night for the Salvos Digital Doorknock and Sleepout, we are keen to support their fundraising efforts through a non-uniform day.

- **When:** Friday 24 June
 - **What to wear:** Casual clothes, which may include an item purchased from a Salvos store
 - **What to bring:** \$2 donation to The Salvation Army Red Shield Appeal*
- * If you would like to make a donation to this cause in addition to the non-uniform day, please [visit the Concordia team's fundraising page](#).

We are looking forward to a great day tomorrow!

[Back to top](#)

Year 2 Student-Led Conferences

The Year 2 students and parents came together to take part in the Student-Led Conferences last week. It was fantastic to be able to open our classrooms and school buildings to our parent community once again.

Student-Led Conferences are a unique opportunity for the children to lead the reporting process. These conferences strengthen the relationship between home and school and are an ideal way for parents see their children through a new lens – in action in their classroom environment – and gain insight into their thinking and behaviour.

Throughout the process the students show a greater responsibility for their own learning and demonstrate their ability to communicate their own learning. The skills developed while preparing and conducting the conference are beneficial to the students' self-management and independence.

Throughout the journey, the students are:

- engaging in the process of self-evaluation
- demonstrating the qualities of the IB Learner Profile
- developing organisational skills

- developing greater self-confidence
- involved in selecting work to show parents and identifying points of strength as well as areas for further development

What a fabulous set of skills and processes they are refining!

Rachel Muldoon

Primary School Learning Leader

Year 12 Formal

After a COVID-induced false start and amid much fanfare in the lead up, the 2022 Year 12 Formal was staged at the Intercontinental Hotel on Friday 27 May.

Beginning with pre-drinks in the foyer, many students were excited to have their photos taken and to show off their finest wares. They looked fabulous and they were ready to dance, with the dance floor opened very soon after entrée was served and cleared from the tables.

The food, decorations, speeches and award presentations were all of a very high quality. A special thanks to the Year 12 Action Leaders – led and supported by Mr Bright – for their contribution to the smooth organisation and running of the night. Thank you also to the Year 12 Home Class teachers, and other Concordia College staff who attended on the evening in support of our Year 12s.

The students represented themselves, their families and the College very well on the evening, with many undoubtedly having a night they will long remember.

Mr Daniel Wood

Senior School Leader

[Back to top](#)

da Vinci Decathlon

We recently had a Year 7 and a Year 9 team compete at the 2022 da Vinci Decathlon at St Peter's Girls' School. The competition is inspired by Leonardo da Vinci, one of the world's greatest thinkers and scholars. He was a passionate lifelong learner and tackled problems with

a determination to uncover the unknown. This academic competition is designed to challenge and stimulate the minds of school students. Students compete in teams of eight across 10 disciplines:

- Engineering
- Mathematics and Chess
- Code Breaking
- Art and Poetry
- Science
- English
- Ideation
- Creative Producers
- Cartography
- Legacy.

The Legacy section required students to show broad general knowledge, know facts about the life and influence of Leonardo da Vinci and understand the significance of the Renaissance period.

The Decathlon places a particular emphasis on higher order thinking skills, problem solving and creativity. Students had to work productively as a team to divide the tasks, solve the challenges and combine their results, before submitting to the judges.

Schools from all across Adelaide took part in the competition. The tasks are very rigorous. To achieve a result in the top six in any category is exceptional.

Our Year 7 team placed in the top six in: Science, Creative Producers, Ideation, Cartography and Legacy.

Our Year 9 team placed in the top six in: Engineering, Science, Mathematics and Code Breaking.

Congratulations to all the team members – we are proud of you.

Emma Rieger

Enrichment and Extended Learning

Concordia College Year 7 da Vinci Decathlon Team 2022

Canapes & Conversation - Updated Dates

We are really looking forward to our Canapes & Conversation parent events, starting tonight for Year 7 and 8 parents, and occurring over the coming months for other year levels.

Please note revised dates for some of these events listed below.

[Back to top](#)

Year 6 Street Art

As a culmination of their inquiry into street art, the Year 6 students have created a fabulous art installation on the basketball court fence. With support from the Design, Technology and Engineering Department, who laser cut the wooden fish, the students designed and painted their unique fish designs in Visual Arts lessons. We hope you will have opportunity to wander around the oval to see this great example of collaborative art.

Nancy Wells

Visual Art Teacher - ELC and Primary School

'Street art is very creative and artistic. I love how your world is your canvas and that you don't have to be restricted to the four walls of your artwork. It makes everything more free and happier.' - **Jack 6T**

'I think that street art can be positive for a community because it makes the community more diverse and interesting. If every community and city was normal and offered no sense of creativity, the world would be boring!' - **Lyla 6H**

'I never would have thought of using up paint to just have a go at making street art, but now that we have done this unit, I realise how cool some things people do are and I think that using all that paint is worth it. One moment it can be a boring fence and the next it is an amazing piece of art.' - **Anna 6T**

Pedal Prix Round 3 - Adelaide

The Concordia Pedal Prix teams recently competed at the Adelaide six-hour race at Victoria Park on Sunday 19 June. Our four teams competed against a highly competitive number of school teams on a short and fast-paced circuit. Teams powered around the track, which was closely congested, avoiding any major crashes for the day. All our teams stayed competitive throughout the day by holding their positions and working together to improve their rider changeover times in the pits. Highlights for the day included *Concorde*, one of our Senior School teams, starting on the front row of the grid at the beginning of the race and our all-girls team achieving a fourth position in their category.

Thank you to all the students, parents and staff who put in many hours behind the scenes to make our race day so successful. Our teams look forward to Round 4 back at Tailem Bend raceway for an eight-hour race early in Term 3.

Results

Team	Category	Position	Laps
Shockwave	S2-Female	4th	145
Matrix	S2	22nd	145

Concorde	S3	10th	187
Veloci	S3	12th	185

Stage 2 Music Studies Score Analysis

Pictured here are students from our Stage II Music Studies class in the process of analysing several musical scores, including a film's orchestral soundtrack, a solo piano arrangement, and several works of Chopin. In an age when digital technologies predominate our learning tool sets, there remains value in annotating a score by hand, pages spread across a desk. Along with music notation excerpts and a prose component, these analyses will form the bulk of the students' next assessment task. All the best wishes to our 2022 Music Studies class.

Dr Barnabas Smith

Music Teacher

Old Concordian Reunions

What a wonderful evening we had on Friday 10 June with Barossa alumni! This enthusiastic group of Old Concordians had a great time catching up at Barossa Distilling Co. One of the highlights was the awarding of Honorary Old Concordian status to Briony Carman, who retired in 2021 after 16 years of significant service to Concordia and has always been a great ambassador for the Old Concordians. Thanks to Lester Saegenschnitter (past Principal and Honorary Old Concordian) and Paul Weinert (Head of College) for presenting the award.

We also welcomed back the Class of 1972! Members of the Class of 1972 and many of their partners attended a 50 Year Reunion dinner at the College on Friday 17 June, with some coming back to Concordia for the first time since finishing as a student five decades ago. Lots of laughs and stories were shared over a delicious three-course meal. Thanks to all who attended!

Sue Spry

Alumni Manager

Middle and Senior School Knockout Sport

Basketball

On Wednesday 15 June our Year 7/8 boys' Knockout Basketball team defeated Modbury High School: 79 - 68.

Congratulations to the boys for an outstanding effort in a hard, fast-paced game against Modbury. Our teamwork and accuracy with outside shooting in particular, were highlighted in the win.

One of the best players for the day was Luke, who scored an incredible 35 points. He was well supported by Harry, whose perimeter shooting was also outstanding. Luca displayed great skills throughout the game, particularly excelling in offensive and defensive rebounds. We wish the team all the best as they progress through to the State Championship Grand Final on Thursday 30 June!

On Monday 20 June, our Year 7/8 girls' basketball team played their knockout game against Henley High School. Despite a hard-fought contest, Concordia lost to Henley: 26-41. Best players were Izzy, Nari and Silvi.

Netball

On Tuesday 21 June our Year 7/8 Knockout Netball team won all three of their games.

- Game 1: Defeated Cornerstone: 38 - 28. Best player: April.
- Game 2: Defeated Glenunga: 34 - 28. Best player: Gemma.
- Game 3: Defeated Heathfield: 26 - 22. Best players: Eliza and Hannah.

Congratulations to the girls for a brilliant effort in their first round of Knockout Netball. They displayed great skills and teamwork throughout all three of the games. With three close, hard-fought matches the girls were able to come out on top. We look forward to seeing the girls play again in Term 3.

Volleyball

On Monday 20 June our Knockout Volleyball teams competed, with the following results:

Year 10 Boys' Knockout Volleyball

- Game 1: Lost to Pulteney: 1-2.
- Game 2: Drew against Seaview.

Year 10 Girls' Knockout Volleyball

- Defeated Pulteney: 3-0 and will progress to the finals.

The School Shop

General trading – no appointment required. Physical distancing rules and masks still apply. We thank you for your patience during this time.

- Mondays: 8am - 4pm
- Wednesdays: 12.30pm - 4pm
- Thursdays: 12.30pm - 6pm

Email orders are also welcome and purchases may be collected from The School Shop during opening hours. Please email: schoolshop@concordia.sa.edu.au and include:

- your child's name and year level
- size
- your contact details

The School Shop staff will contact you for payment and advise when your order is available to collect.

The last day of general opening for Term 2 is **Thursday 30 June**.

School Holiday Opening

- Monday 25 July: 8am - 4pm
- Tuesday 26 July: 8am - 10am (Term 3 - back to school)

Uniform and Sport Orders

Uniform orders - emails have been sent when orders are ready to be collected. Students in Years 7-12 students have been emailed. Parents have been emailed for students in ELC-Year 6.

Sport orders - uniforms for soccer, basketball, Aussie Rules and socks are available. Unfortunately Hockey sport orders have been further delayed due to COVID-19.

The School Shop staff can be contacted on the direct phone line during opening hours – **8291 9302**.

Secondhand Clothing

If you have uniforms you no longer need, they may be donated or sold on consignment in The School Shop ([click to download a secondhand uniforms consignment form](#)).

Please note:

- Blazers and winter skirts/pinafores must be dry cleaned with a receipt attached.
- Jumpers must be washed using a wool wash detergent.
- All other items must be in good condition, stains removed, washed and ironed ready for sale.
- Summer hats must be hand washed.
- Any uniform items in need of repair e.g. broken zips, seams unstitched, missing buttons, etc. must be repaired prior to acceptance for sale. Buttons are sold in The School Shop.
- Garments presented on hangers are preferred.
- Old logo and discontinued styles – uniforms with the old school logo and discontinued styles are no longer saleable in The School Shop but can be dropped off for overseas charity donation.
