From the Director of Staff Administration ELC-12

We have been blessed to have worked with several pre-service teachers in many different teaching areas this year, and many others over the years.

We hear and read in the media that we have a teacher shortage, less school graduates wishing to enter the teaching profession and that many who win a position do not continue in the profession after one or two years.

As a College we are committed to supporting pre-service teachers to enable them to build their skills as capable and confident teachers when they step into a school. The experience in a school aims to give pre-service teachers a picture of what it means to be a teacher, to observe experienced peers and learn their craft.

Teachers at Concordia value their work with these pre-service teachers by willingly and generously sharing their expertise and in many cases collaborating with them and learning from them. These early experiences offer pre-service teachers the opportunity to observe different teaching styles and approaches, understand the many aspects of school life and actively contribute. Teaching requires knowledge, skills, patience and high levels of organisation. Predominantly, however, teachers are passionate and committed to their students, working and planning to enable students to succeed.

Without a doubt, there are times in each term when the workload is almost overwhelming –

thank goodness for term breaks to catch up, revive and plan for the next term - but teaching and working with students, seeing them grow into young adults, is a joy and privilege. We hope that in offering pre-service teachers the opportunity to experience what supporting students in their journey at Concordia College means, it inspires them to commit to becoming a teacher - a person who can make a difference.

Q&A with Emma Goold, Co-Educator - St John's Campus

1. Where were you before this and what persuaded you to join Concordia?

Before Concordia I was teaching in the APY (Anangu Pitjantjatjara Yankunytjatjara) Lands in a small, remote Indigenous community called Indulkana, four hours from Alice Springs. I worked in Inclusive Education, helping children with social emotional well-being, literacy workshops and maths intervention. I joined Concordia as I was ready for something new! I had one relief day last year in the junior primary and... I've never left.

2. Three words to describe you.

Fun, supportive, passionate.

3. What is your motivation or inspiration in your role?

My motivation and inspiration in my role comes down to the children I work with. Watching them develop, grow and build resilience keeps me motivated.

4. If you had a superpower, what would it be?

To get rid of winter - seasonal depression is a real thing!

5. Who would you invite to a dinner party of six guests and why? Alternatively, tell us something you might like to share that we could not possibly know?

I would invite my six closest friends. My favourite thing to do is spend time with my friends. Oh, and maybe Harry Styles can come too...

It's tomorrow! Opening Celebration

We are looking forward to seeing you all tomorrow from 3.30pm.

Please remember that parents are responsible for their children at all times.

Planning a move? Please let us know!

Considering a move to another school is a significant decision. We value your family being part of our community. As a College, we will always seek to work with you for positive connection. If you are uncertain about continuing at Concordia next year, in the first instance, we invite you to reach out and arrange a time to discuss your situation with the Principal of your child's campus – Michael Paech (St John's Campus, Highgate), Bronwyn Wilson (St Peters Campus, Blackwood) and Dennis Mulherin (Concordia Campus, Highgate) - or our Director of Community Relations, Jodie Escott. We hope that through this conversation, we gain a clearer appreciation of your family's specific needs and considerations.

If you do make a decision to leave Concordia, please be aware that in line with the Enrolment Policy – if your child is leaving the College at the end of 2023, we require one full term's notice to avoid penalties. We understand that this may not always be possible, but sincerely appreciate your assistance with future planning. Withdrawal notification for 2023 should be received **no later than close of business Friday 29 September 2023** and should be sent to the Principal of the relevant campus and our Enrolments office:

- [Michael Paech, Principal ELC to Year 6 \(St John's Campus, Highgate\)](#)
- [Bronwyn Wilson, Principal ELC to Year 6 \(St Peters Campus, Blackwood\)](#)
- [Dennis Mulherin, Principal Year 7 to Year 12 \(Concordia Campus, Highgate\)](#)

Please also email all information to enrolments@concordia.sa.edu.au

If notification is not received by close of business **Friday 29 September 2023**, a full term's tuition will be payable.

All About Stories with the St Peters Campus Year 1s

This term, the Year 1s at St Peters Campus have been exploring stories as a way to help us understand our world and express ourselves through the transdisciplinary theme of *'How We Express Ourselves'*. As a provocation, each child received a blank photo album just before the end of Term 2 to fill with pictures from the holidays. These pictures became the inspiration for children to share their stories with the class as well as in their writing.

Since then, it's all been about stories:

- discovering the different ways people tell stories
- messages or lessons in stories
- how to make and share our stories
- how to bring stories to life.

The children attended an interactive concert held by the Adelaide Symphony Orchestra called 'In This Place' which used music, oral storytelling and animation to bring the story to life. Tying in perfectly with Book Week, the children immersed themselves in storytelling and story making. We explored Bible stories, picture books, novels, felt boards, puppets, role play, music making, small world play, stop motion videos, narration, bookmaking and many other tools and techniques to tell stories. We even had author Deborah Abela visit us and tell us about how she writes and publishes her picture books. This really opened the children's eyes to how stories are created and books are made.

Using all these experiences, the children are now in the process of making their own stories and bringing them to life in their own unique ways. There are a wide range of topics and the children's creativity and ingenuity has really shone through in this unit of inquiry!

Author-in-Residence Parent Feedback

Following a highly engaging week with our Author-in-Residence Deborah Abela, we have received some anecdotal feedback on the ways this program has impacted students. We would like to capture some feedback from parents and caregivers in a more formal sense, to help with future planning.

Parents of children in Years 3-8 are invited to complete an anonymous three-question survey to share their thoughts.

St John's Campus ELC Teddy Bears' Picnic

On Tuesday, children in the three-year-old program from St John's Campus ELC visited the Concordia Campus to partake in a Teddy Bears' Picnic. Children brought their favourite teddy from home to join them in play. Whilst on the picnic, children enjoyed having their morning tea together and shared blueberry muffins they had made. This event provided an opportunity for the children to venture beyond the ELC and supported children's connection to the wider College community.

Summer Uniform Transition Period

From Week 1 of Term 4, all students in Year 7 to Year 12 will return to wearing the formal Summer Uniform.

In addition, during Weeks 9 and 10 (as per the College's uniform policy), 'students are permitted a transition period of two weeks to wear the alternative season's uniform if the weather becomes unseasonal and is unexpectedly hot.'

Please note – whichever uniform students choose to wear (summer or winter), it must be worn with strict adherence to the uniform rules.

For more information, parents can refer to the notification distributed earlier this week with specific details for their child's campus.

Thank you for your cooperation and support.

Experience a Day with ECMTA!

Year 11 Legal Studies Update

Mr Stewart Kleidon presented a talk on the stability of the Constitution in the light of the Governor General's protection of our laws when Parliament votes on bills. He proposed different aspects of the Constitution, including Section 116 and 48 in particular, and talked about the relevance of these sections on today's society.

Mr Mat Noble spoke to the Year 11 class about his experience of participating in jury duty. He was able to dispel some of the ideas students have of the way a jury interact with each other and how they respond during a trial with the realities of making a decision based only on the facts presented to them. He was informative and held the students' attention for the entire lesson, with many students asking questions.

Year 9 Visual Art Excursion to 'Frida & Diego; Love & Revolution'

Year 9 Visual Art students recently visited the SA Art Gallery to engage with and respond to the exhibition, '*Frida & Diego; Love & Revolution*'. Students responded to the work of iconic Mexican artists Frida Kahlo and Diego Rivera. A guided tour introduced their art and politics, and their influence on artistic and cultural change in Mexico from the 1920s to the 1950s.

It was pleasing to see students engaging with the exhibition and gaining an understanding of the artists' connections to culture, love, politics and art, as well as the fusion of traditional Mexican folk art symbolism and the mid-20th century international modernist movement. The topic supports our current unit of study and leads to students creating their own photographic and painted works.

Students explored the use of symbolism and surreal imagery to tell a personal story, especially Frida's exploration of her personal experiences, pain and cultural identity depicted in her art. Their appreciation was enriched by the tour guides whose in-depth information, descriptions and personal insights added to our learning.

A number of students were fascinated by Frida Kahlo's Self-portrait with Monkeys, (1943), with its rich use of symbolism and its surrealist elements. They discovered that the monkeys are a representation of children and her inner thoughts and feelings of the artist.

The exhibition was not only informative but also sparked students' curiosity and fostered a deeper appreciation of how art reflects the socio-political context of twentieth-century Mexico.

Each Year 9 Art class is to be commended for their conduct during the excursion.

SSSA Adelaide South East Districts Athletics Competition

On Wednesday 6 September, 44 students from our St John's Campus competed at the ASE District Athletics Day. In warm and windy conditions, our Athletes ran, jumped and threw to the best of their abilities against 14 other schools from the district. Two weeks of trials and training in the lead up to the event paid off with over 25 students placing in the top three in their events. When all was run and done it was Concordia that was announced winner of the Large Schools competition over Linden Park and Burnside Primary Schools. Congratulations to all the students who competed and thanks to all the educators and parents that supported the day.

Congratulations to **Mia 6EH, Paloma 6JS, Zoey 5CM, Evie 6MT, Aimee 6JS, Wesley 5TB, Bax 6MT** and **Liam 6MT**, who were selected to represent the ASE District at the State Athletics Carnival on Tuesday 19 September.

Volunteer Officials

Pictured are Concordia College student volunteers assisting as officials at the Adelaide South East (ASE) Athletics Day. At the request of Alice Lange, ASE Sapsasa Convener (School Sport SA), Miss Peresano has managed all matters around organising the group and went to the day as Supervisor. Alice has come to rely on the quality of Concordia students' "service leadership" to the point that she requests their assistance annually, ever since Miss Peresano's predecessor, Mrs Ridley, first took up the initiative 8 years ago.

Well done to these students for assisting at this event.

St John's Campus Legacy Artwork

We are excited to see the beautiful, bespoke St John's Campus legacy artwork coming to life in the entrance space between The Treehouse and Wirrkuta Truku (activity hall). Thank you to the generous families and businesses that have contributed to it so far, and thereby greatly supported the building of these outstanding new facilities.

There is still room for more 'leaves' to be added with donor names on them, so please join those who are already recognised in this permanent legacy artwork by donating or pledging a \$2,500 tax-deductible gift to the Concordia Building Fund. You can donate [here](#).

This month on SchoolTV - R U OK?Day

Understanding the growing challenges related to mental health among young people is an important consideration. Factors like academic pressure, social media, family dynamics and societal expectations are contributing to these issues. It's therefore crucial for parents and caregivers to take action early, remove the stigma around discussing mental health, and offer accessible support to address these issues and the wellbeing of their children.

R U OK? urges people to invest time in personal relationships and empowering informal support networks to identify signs of distress. We urge all families to take part, emphasising the value of genuine human relationships and reminding everyone to ask the important question, "Are you OK?".

By talking openly about mental health, schools create safe spaces where students feel understood, valued and supported. As parents and caregivers, you can contribute by fostering

open conversations, normalising feelings and breaking down mental health stigmas.

This Special Report provides guidance on how to talk to your child about mental health and engage in meaningful discussions. We hope you take a moment to reflect on the information offered, and as always, we welcome your feedback. If this raises any concerns for you, a loved one or the wellbeing of your child, please consider seeking medical or professional help.
