Message from Head of College

We are pleased to share with you some of Concordia College's *extraordinary* achievements in 2024.

The following pages provide a snapshot of the achievements of The Class of 2024 across all aspects of their engagement at the College.

Concordia's commitment to academic excellence is evident in the SACE results of our students this year. We congratulate our 2024 Duces – Aristo Ku and Jared Sanun – who both achieved the highest possible ATAR of 99.95.

Concordia's commitment to providing opportunities for students to engage and excel in their areas of interest is also evident in the collection of achievements in the Sport and Music programs.

We are excited for the future that lies ahead for these extraordinary young people, and we are extremely proud of all members of our class of 2024 and their journey at our school.

Warm regards,

Paul Weinert
Head of College

From the Principal

I am immensely proud of the remarkable achievements of the Class of 2024, whose dedication and hard work have set a new standard of excellence. Their success will go beyond the academic results – it will lie in the values they embody and the positive impact they will have on the world. As they step into the future, we celebrate their potential to lead with purpose, serve their communities, and contribute to building a better, more compassionate world. This graduating class exemplifies our mission to nurture minds and hearts for a greater good.

Penny McKenzie
Principal – Concordia Campus

Concordia College Duces

Aristo Ku
Mathematical Methods (Merit) A⁺, Chemistry (Merit) A⁺, Physics A⁺, Special Mathematics A⁺, High Distinction in University Studies

Jared Sanun
Mathematical Methods (Merit) A⁺, Chemistry A⁺, Physics A⁺, AIF (Merit) A⁺, High Distinction in University Studies
